ORDER OF PUBLICATION. STATE OF WEST VIRGINIA. Rules held in favor of the Clerk of the Circuit Court of Harrison County, on Monday, the 2nd day of August, 1915, the following order was entered: The Wallace Bank, a corporation, vs. In Debt. Omer C. Stewart.

Object of Suit. The object of this foregoing suit is to obtain a judgment in favor of the plaintiff against the defendant, Omer C. Stewart, for the sum of one hundred and thirty dollars and interest due said bank on a certain promissory note of the said Omer C. Stewart, dated the 12th day of April, 1911, due in four months after date, which note is subject to a credit of seventy-five dollars, heretofore paid by George W. Shrader, and to attach and sell in satisfaction of said claim and debt the interest and title of the said Omer C. Stewart in the oil and gas in and underlying a certain tract of land lying and being situated on Rock Camp Run of Ten Mile Creek, in the County of Harrison, and State of West Virginia, adjoining the lands of Ellis Marsh, Richard V. Thompson and others and containing six acres. The said Omer C. Stewart having a one-seventh of the one-thirty-second (1-7 of 1-32) of

the royalty oil and gas underlying said land, being same interest reserved by the said Omer C. Stewart in a certain conveyance whereby he conveyed the interest in the surface of said land to Loma L. Stewart by deed dated the 9th day of November, 1903, and recorded in the County Clerk's Office of Harrison County, in Deed Book No. 145 Pages 231 and 232. Also to sell, Omer C. Stewart's life time interest in that certain lot or parcel of land situated near the town of Wallace, on Road Run of Ten Mile Creek, Sardis District, Harrison County, West Virginia, containing eighty-four rods, more or less, and having a dwelling house thereon, being same property conveyed to Maggie E. Stewart by R. V. Thompson and Cora J. Thompson, his wife, by deed bearing date the 23rd day of January, 1908, and recorded in the County Clerk's Office of Harrison County, in Deed Book No. 148 Page 478, to which deed reference is made for a more particular description of said property. And it appearing from an affidavit filed in said action that Omer C. Stewart is a non-resident of this state, it is ordered that he do appear within one month from the date of the first publication of this order and do what is necessary to protect his interests herein. Given under my hand this 2nd day of August, 1915. I, WADE COFFMAN, Clerk. ROY E. PARRISH, Attorney for Plaintiff.

the fact that two of his daughters are living in obscurity in this city. Not only have they been in hiding a greater part of the time, but they have been compelled to eke out an existence by the sale of jewels and household effects, trusting these to a faithful servant to pawn or sell outright, that food might be brought to their hiding place. An effort is to be made to smuggle them out of the country that they may join the family now in France.

The fact that they are not in Europe at the present time is due to the fact that they refused to leave the sides of their husbands when the Diaz regime came to an end some five years ago. Since then the two women have been widowed, if current reports are to be credited; they have seen their properties burned and looted by various military factions until little more than the land remains and this has been divided among Zapatista generals.

During the year ending last July, 509 persons in the United Kingdom were sentenced to penal servitude, as against 884 in the previous year.

Diarrhoea Quickly Cured. "About two years ago I had a severe attack of diarrhoea which lasted for over a week," writes W. C. Jones, Buford, N. D. "I became so weak that I could not stand upright. A druggist recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. The first dose relieved me and within two days I was as well as ever." Obtainable everywhere. Advertisement.
